## **Cold Hand in Mine** Robert Aickman

*Cold Hand in Mine* was first published in the U.K. in 1975 and in the U.S. in 1977. The story 'Pages from a Young Girl's Journal' won the Aickman World Fantasy Award in 1975. It was originally published in *The Magazine of Fantasy & Science Fiction* in 1973 before appearing in this collection.

*Cold Hand in Mine* stands as one of Aickman's best collections and contains eight stories that show off his powers as a 'strange story' writer to the full, being more ambiguous than standard ghost stories. Throughout the stories the reader is introduced to a variety of characters, from a man who spends the night in a Hospice to a German aristocrat and a woman who sees an image of her own soul. There is also a nod to the conventional vampire story ('Pages from a Young Girl's Journal') but all the stories remain unconventional and inconclusive, which perhaps makes them all the more startling and intriguing.
