Enjoy The Experience: Homemade Records 1958-1992 Gregg Turkington, Will Louviere

Enjoy the Experience is the largest collection of American private-press vinyl ever amassed and presented, featuring more than 1,000 cover reproductions from 1958–1992. The musicians here range from awkward teen pop combos to pizza-parlor organists; religious cult leaders to Sinatra imitators. But this is not a novelty show: also profiled and discussed are some of the most highly regarded rock, soul, jazz, funk and singer/songwriter albums from the latter half of the twentieth century. *Enjoy the Experience* begins when the custom-pressed American record plant came into existence and ends, largely, with the birth of the CD. As such, it is a snapshot of America in the second half of the twentieth century and collates a bevy of tales and albums released by the brave souls who took the plunge and committed their musical vision to wax. *Enjoy the Experience* details a forceful American cultural experience that stands in juxtaposition to the mainstream even as its creators attempted to infiltrate it. With a wealth of full-color reproductions, an introduction by editor Johan Kugelberg, an overview by legendary record dealer Paul Major, along with commentaries, reviews and 50 biographies by noted enthusiasts and collectors, *Enjoy the Experience* also includes a download card for dozens of the greatest songs culled from the book.
