"Let me extend to you an invitation. It is not the most normal of invitations, as it doesn't require you to attend a party or function. It is an invitation to travel with me across time, across civilizations, across religions and across philosophies. I invite you to turn off your simple human limitations of time and place. I invite you to open your senses. With this opening I will share with you depths of sensation, perception and experience you haven't even imagined...." This is how Ascended Master Kuthumi Lal Singh invites you to join him in experiencing his time within the human realm. In this first book join Kuthumi to walk through his time as Pharaoh Thutmose III, one of the greatest rulers of ancient Egypt.
