Positively Courtney Sheinmel

Since the day Emerson Pressman and her mother were diagnosed as HIV positive, nothing has been the same. When her mother dies of AIDS, Emmy has to go live with the father and stepmother she barely knows, and she feels more alone than ever. Now she has to take pills by herself, and there is no one left who understands what it's like to be afraid every time she has a cold. But when her father decides to send her to Camp Positive, a camp for HIV-positive children, Emmy begins to realize that she's not alone after all, and that sometimes, opening up to other people can make all the difference in the world.

Terry Burrows:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Positively can make you sense more interested to read.
