## **The Four Dreamers of Strathbrochan** Hugh Galt McKenzie

Four young friends from the small peaceful Scottish village of Strathbrochan are walking on the banks of tranquil Loch Brochan when they witness a momentous event; one that will change their lives. A strange object hurtling from the evening sky plunges into the Loch causing the still waters to churn and send mysterious clouds of vapour around them. The friends have a reputation in the village for telling tall stories and deciding that no one will believe what they saw, vow to keep the events a secret. When they return to the Loch as they stand holding hands looking over the water the mysterious clouds envelope them again and suddenly they are transported to a different time and space. Hugh Mckenzie's fascinating book sees the friend transported to momentous events in distant and not so distant times where they gain a fascinating insight into past events and the lives of the people they witness.
