We thought to issue this volume by the first of August, but the unexpected delay we experienced in obtaining information, has kept the work back. In order to get it out as soon as possible we have had to put the "forms" to press without that careful revision of the proof sheets which ought to have been given them. As a consequence some typographical errors will be found, which are more annoying to ourselves than to any others. So far as possible now the corrections will be found below.

In the last paragraph on page 20, it is stated that the Regiment was composed of but nine companies. There were ten full companies - five from Miami County, three from Darke County, and two from Montgomery County.
