Linda Kelly

Deadheads: Stories from Fellow Artists, Friends & Followers of the Grateful Dead Linda Kelly
"One of the best books on the Grateful Dead." —*Rolling Stone*

Just what was it about the Grateful Dead that made them rock and roll's most beloved band? In *Deadheads*, those with the real story, who were there and are still listening to the music, explain it all.

Grateful Dead lyricist John Perry Barlow talks about his lifelong friendship with Dead guitarist Bob Weir. Cajun chef Rick Begnaud shares his memories of feeding the Dead. John Popper of Blues Traveler recalls playing with the Dead at Bill Graham's memorial tribute, while publicist Dennis McNally shares some wild adventures of working with the band for more than thirty years. Author Linda Kelly recalls being dragged to her very first Dead show, hanging with Jerry in New York City, and more.

First-show revelations, backstage adventures, parking lot hoopla, how-to-live-life philosophies, strange tangential experiences stemming from being in that certain place at that certain time—these intriguing anecdotes evoke wonderful images, lots of smiles, and a close look into a fascinating phenomenon in the history of music.

This twentieth-anniversary edition of *Deadheads* celebrates fifty years of music and includes the best stories from the original 1995 edition, two new chapters, as well as new interviews with various friends, artists, and followers of the Grateful Dead.
