## **Joe Two Dogs** Jacob Gottfredson

Joe Two Dogs is a prequel to Dancing in the Jungle and Toponas, the lion awakens. It begins with Anderson as a teenager, growing to manhood. His life would have been easy and tranquil had it not been for the girl. She abandons him, and he takes to the road for several years, bumming his way across America. Not caring any longer about his welfare he joins the Army. The Vietnam War is raging, and he assumes they will soon send him there. He hopes to make it into Special Forces. He does not realize the Green Beret is hard to come by. Yet, for a reason beyond his grasp, he makes it through the brutal physical and mental tortures to which he is subjected. Strangely, instead of Vietnam, he is sent to Thailand, an easy assignment ... or so he thinks. He finds himself working for the CIA as a clandestine operative training Laotian and Hmong tribesmen. He, his Teammate, Buff, and six Hmong are sent into North Vietnam to gather intelligence on the Trail. Getting back becomes a Herculean and impossible effort until Joe Two Dogs hears of his plight. Short bio with picture Jacob was a Special Forces Green Beret during the Vietnam war. After his tour of duty, he came home to his wife Janie, and together they pursued an education. They both obtain masters degrees. Sadly, his was not English. So be kind.

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Joe Two Dogs can make you experience more interested to read.
