"Stretching" Exercises for Qualitative Researchers Valerie J. Janesick

In this updated version of her innovative book, author Valerie J. Janesick extends her dance and yoga metaphors to strengthen her argument that tapping into one's artistic side—the side that is more creative and less inhibited—is fundamental to realizing one's potential as a qualitative researcher. This **Third Edition** provides a series of exercises that are both imaginative and immensely practical in helping students to see the artistic side of research.
