The treasured stories of the Bible are retold faithfully in clear and engaging words, with bright and appealing pictures bringing each wonderful scene to life

Bright, vibrant pictures are the focus of this children's Bible where expressive people and animals carry out their lives against a backdrop of colorful and dramatic landscapes. The scenes are set evocatively, not only bringing life and character to the stories of the Bible for younger, or perhaps first-time readers, but also to explaining their implication in the wider context of the Bible. There is a glossary included in the back to explain the words which may be unfamiliar, and page references for each word.
