- How can I determine what boat I want?
- Once I do, what's a fair price to pay for it?
- Should I buy it new or used?
- How can I tell the difference between a used boat and one that's used up?

This user-friendly guide covers issues that other books ignore, including how to choose between a trailer sailer, daysailer, raceboat, cruiser, or multihull; what hull material is best for your first boat; whether to buy new or used; where to shop; how to judge quality and condition; where to keep your new boat; and what to do about gear, loans, insurance, and annual maintenance. Special features of this second edition include:

- An up-to-date descriptive buying guide to 84 recommended sailboats of all types and sizes, from daysailers to racers, cruisers, and multihulls
