Dinosaur Hunters (Discovery Education: Discoveries and Inventions) Robert Coupe

It has been nearly 200 years since the first dinosaur remains were found in southern England, and in that time these fascinating creatures from long ago have lost none of their hold on our imagination. This book explores the history of dinosaurs and their time on earth. A detailed timeline traces the archaeological discoveries that inform today's study of prehistoric life, and clear, informative illustrations and diagrams explore different kinds of dinosaurs, their appearance and scale, habitats and intellect, and the fossils they left behind.
