Marx Versus Tolstoy: A Debate (Classic Reprint) Clarence Darrow

This discussion treats an important question that has received no specific and thorough examination elsewhere, notwithstanding its gravity. Mr. Darrow is probably the foremost of the American representatives of the non-resistance theory, and his case is stated in these pages more pointedly and forcibly than in any of his published works. The arguments launched against Mr. Darrow will, I think, satisfy the opponents of the non-resistance philosophy. ARTHUR M. LEWIS. Chicago, Mar. 21, 1911.
