Trent and Adam were best friends and rally racing buddies until a terrible accident, when Adam was at the wheel, puts Trent in the hospital. After a long separation, the teens try to pick up their friendship where it left off, but Adam's guilty feelings and Trent's odd behaviour make it tough. Why is Trent hanging around Marcus, a guy he says he can't stand? And why isn't his Ritalin working anymore?

When Adam discovers Trent is dealing with the dark side, it's a race to save his friend from himself. *Racing Fear* is an action-packed ride that takes a hard look at the selling of prescription drugs. [Fry Reading Level - 5.2]
