Yamin Levy

Sababa Yamin Levy

Hamas militants have abducted Lior Samet, the grandson of Israeli national war hero Brigadier General Avigdor Cohen, but the Israeli government does not negotiate with terrorists. Cohen's inner world is turned upside down as he does what he must to bring Lior home. Less than forty miles away, but more than two millennia earlier, Alexander the Great descends upon Jerusalem, ready to attack, but after a highly charged confrontation with Simon the High Priest, he spares the town. As the controversial story unfolds, the Maccabees, priestly militant warriors, are raised to fight off the Greek imperialists. Yamin Levy's ambitious debut novel explores the inner-world of warriors, reluctant soldiers, zealots, and freedom fighters. The parallel storylines describe both the early origins and modern versions of Israeli nationalism and military zeal and how the Kohen clan has left its mark on the spiritual landscape of the Jewish psyche and on the battlefield. Levy gives voice to a range of perspectives associated with the Israeli-Palestinian conflict and with Israeli society's evolving attitudes regarding their physical, spiritual and existential survival.

From reader reviews:

Leigh Weimer:

People live in this new moment of lifestyle always try and must have the spare time or they will get wide range of stress from both day to day life and work. So , once we ask do people have free time, we will say absolutely yes. People is human not a robot. Then we inquire again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading publications. It can be your alternative throughout spending your spare time, often the book you have read will be Sababa.

Shane Hamilton:

Playing with family in a park, coming to see the ocean world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Sababa, you may enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its named reading friends.

Albert Shepherd:

Sababa can be one of your beginner books that are good idea. Many of us recommend that straight away because this book has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The article author giving his/her effort to put every word into pleasure arrangement in writing Sababa although doesn't forget the main point, giving the reader the hottest along with based confirm resource information that maybe you can be certainly one of it. This great information may drawn you into new stage of crucial pondering.

Christopher Bohner:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your moment to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short period of time to read it because this time you only find guide that need more time to be go through. Sababa can be your answer because it can be read by you who have those short spare time problems.
