It wouldn't be Christmas without Santa Paws! And when problems start to turn up on the Callahan vacation, our favorite canine hero will be there to save the day!

The Callahans are about to settle in for an unusually snowy holiday at home, when a last minute opportunity lands them in the tropics instead. With surfboards, sand castles, and sunshine, this vacation to Christmas Island might be the best trip the Callahans have ever taken.

While the Callahans try to relax, Santa Paws is hard at work. He saves people from drowning and even prevents Abigail the cat from being devoured by an aligator. But before the holiday is over, it's Santa Paws who will need to be rescued. You'll never guess who saves the day! It's a magical Christmas for everyone.
