## **Champions Tell All: Inexpensive Experience (Masters of the Mental Game) Brian Cain**

10 champions reveal the secrets of their mental toughness and what they do to compete at their best and win. There are two types of experience in the world: expensive and inexpensive. Expensive experience is trying to learn everything you need to know to be successful on your own, a process that is destined to keep you from reaching your true potential. Inexpensive experience, on the other hand, is learning from other's experiences which sharpens your learning curve and helps you to achieve your true potential as quickly as possible.

*Inexpensive Experience: Champions Tell All* is inexpensive experience from World Champions, Olympic medalists, Players of The Year and MVPs that you need to speed up your mental toughness learning curve and start sharing a similar success. These great athletes share their success stories in using Brian Cain's mental conditioning system. When read and put into action, the secrets of success shared in this book will change your career and change your life. This is not a sports book. This is a book on excellence and success. The aim of this book is to provide you with insight into the minds of the world's greatest athletes and let you know how they think so that if you train yourself to think the same way, you can have a similar success and reach your true potential. This is a book for people looking for simple yet effective ways to reach peak performance. This book will not go into theory or research, but is itself a body of research in which you are able to learn from the inexpensive experience of others on what works in the field of mental conditioning and peak performance. Champions Tell All will: - Teach you how the best competitors on the planet think - Show you how champions benefit from mental conditioning - Become a cornerstone of your leadership book library - Share career-changing and life-changing strategies you can use.
