15 One Hour Crochet Projects You Will Want To Try Immediately

Oh, those lazy afternoons when you have a minute to yourself. Those moments when you are just enjoying what it is you love to do, and you don't have to worry about the cares of life for a few hours.

You know how fleeting those moments are, and how much you need to cherish them when they do happen. And what better way to spend a moment like that than with your favorite hobby? You know you love crochet, and there are times when you just want something that's short and sweet to enjoy in the few minutes you have.

But, those projects can be hard to find. You want to do something that's fast and simple, but it's hard. There's so many projects out there that are designed to take you hour after hour, and yes, you know how good of a feeling it is to complete them, but you also know that there are times you want to make something and be done with it.

Sort of like those fix it and forget it meals you are so fond of.

With this book, your solution has arrived. You can make any one of the projects you find in this book in one afternoon or less. Some won't even take you an hour. Whether you want to make a cute accessory for this evening, a toy for a loved one, or something short and sweet you can use around the home, you are going to find what you need here.

Have fun with the easy patterns that create the cutest results. You are going to fall in love with each and every one, and you are going to want to spend an afternoon every day for the next 2 weeks creating these.

- Have fun with 15 different patterns you can create easily
- Mix and match patterns to find your favorites
- Throw in your own style, even when you are short on time
- And more!
