"A seasoned "coach" in your corner can lead you to accept yourself, to embrace your strengths as well as your weaknesses, and make the most of what you've got, using even supposed "drawbacks" to your advantage. Certainly an experienced mentor can help you discover your "Why?" and your "Big Picture", inspiring you to build on the essence of what truly motivates you. Woman of Vision recipients are all in the community, consistently accomplishing the awe inspiring. Yet when asked to sum up their "vision", many hesitate. They don't readily know. Interesting to note that consistent positive feedback includes citing back to that exercise in defining themselves as one of the most powerful outcomes of the WOV experience." The Forward to this innovative and inspiring compilation is provided by an Edmonton "Woman of Vision" who, in her own rights, is a true visionary and powerful women role model - ~ Lesley MacDonald. Thanks to another visionary entrepreneur, Dorothy Briggs, the mentors included in this amazing book have the opportunity to share their success stories with hope of inspiring others to follow their dreams and live their passion.
