Out on Foot: Nightly Patrols and Ghostly Tales of a U.S. Border Patrol Agent Rocky Elmore

When Rocky Elmore joined the United States Border Patrol, he knew it would be a journey fraught with danger. But little did he know that the very real trails he walked night after night would soon lead him into surreal encounters from a different dimension. This was never more evident than when the ghost of a recently fallen fellow agent began to appear on top of the cliff from which he died. It marked the beginning of the end to one of the most bizarre series of events in the history of the U.S. Border Patrol. This collection of true stories provides a rare look into law enforcement that includes not only the routine nightly patrols of the USBP but also actual paranormal activity as it happened to the agents in the field. Readers will go on nightly patrols with the agents of the Brown Field Border Patrol Station, and will face their worst fears as they come face to face with smugglers, mountain lions, ghosts, and even a Sasquatch in this isolated no-man's land. OUT ON FOOT takes place in the mysterious Otay Mountains just east of San Diego, California. It is an emotional roller coaster ride that is not for the faint of heart.
