The God Delusion Revisited Mike King

'The God Delusion Revisited' is an ordinary Christian's review of Richard Dawkins' recent polemic on religion, 'The God Delusion'. It specifically and comprehensively targets the views expounded in 'The God Delusion' and questions the credibility that Dawkins enjoys through his scientific writings, a credibility that is not based on his 'religious' expertise but on his work in the field of zoology. 'The God Delusion Revisited' highlights this undeserved prominence and provides balance in the current growing debate on religion. Mike King is a Christian and has written 'The God Delusion Revisited' from a Christian perspective. He was born and raised as a Roman Catholic and attended schools run by Benedictine monks. He lost his faith in his midteens and for most of his life has regarded himself as somewhere between atheism and agnosticism. He became a Christian in 2002. He is married with two children and has also written 'In the blink of an eye', an autobiographical work.
