Come and be with precocious eight-year-old Sally and Macy, her seven-year-old sister as their father tells them a bedtime story about his new friend the *stocking-footed alligator*. Find out why the girls interact with their father in spite of their misgivings and be with them as they imagine the barbeque and the danger their dad faced. What would you have done if you were the dad?

Come and meet for yourself the hilarious-looking stocking-footed alligator as he eats, naps, and befriends the brave dad of this tale. See how and what *stocking-footed* eats, and get ready to dine with him. Be there when the gator tells the father, You're welcome. And why exactly would the parent be thankful to the gator? you ask. Come and see.
