A Cool Moonlight Angela Johnson

With breathtaking lyricism, Angela Johnson shares the thoughts and dreams of an extraordinary girl named Lila. Born with an unusual and dangerous allergy to the sun, nine-year-old Lila can only be outside at night. She plays by the light of the moon, and her playmates are two mysterious girls who wear tutus and costume wings, and often show up when Lila is alone. Lila longs to feel the warmth of the sun on her skin, and with the help of her friends she is making a plan to do so.

Uniquely touching, *A Cool Moonlight* is that rare novel that wraps tightly around you and leaves you forever changed. A novel about courage and hope and the healing power of love.
