## **Collins Gem Insects: Identify Bugs, Beetles, Bees and Much More** Michael Chinery

A handy guide to identifying bugs, beetles, bees, and much more. With this clear photographic guide in your rucksack, no insect encountered will escape identification! This fascinating little guide teaches you how to identify 240 insects found in Britain and Europe. Each insect entry includes a photograph of the insect and details of distinguishing features which can help with identification; information on size, habitat, geographical range, and months when the insect can be spotted; and the names of similar species with which the insect could be confused and details of the differences between them. This clear photographic guide fits neatly into the pocket or rucksack and is perfect for taking on walks.
