Demons, Deliverance, and Suffering ... what are they all about? Discover in these pages the origin and nature of evil and how to combat forces you cannot see. Learn what devils and demons are and what you can do to ensure you are never a victim. To understand what a person has experienced we must look to Scripture. Scripture says many things about invisible forces. This book is straight-forward, authoritative, with Biblical insights and help for those who desire to understand or escape demonic oppression. This book discusses the occult, mediums, demon possession, werewolves, vampires, and other related topics. That evil exists in this world none might argue, however if God is all-powerful and also purely good, why does He still allow suffering to exist? We look at these and other questions. Once you see how much of our world is spiritually influenced, your world view will change! You will begin to realize the spiritual war we are fighting. You will understand the forces arrayed against us. You will see the victory in Jesus' name. The world is in a slumber, hoping for a better tomorrow, but the forces of spiritual darkness take no rest and sleep not. Our sufferings are rooted in this great struggle with the powers of darkness! For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12).
