For Kid's Only Cookbook: Recipes Even Your Picky Eater Would Love Allison P. Lowery

I came up with For Kid's Only Cookbook, because like so many I have young kids that at times can be picky eaters. So, with the help of mine and my friend's kids, I came up with recipes that anyone's kids would love. Each section is a different color, so you and your children will enjoy reading the book together and trying out the recipes. I like to have recipes where the kids can also participate in the cooking. What makes this book different from any other kids cookbook is, I will show you variations of the same dish and a lot of the recipes you do not have to make from scratch. It is filled with things that you can pick up at your local grocery store. There will be neat food ideas and a lot of the recipes are good for kids and they will never know it. For, my parents some of the recipes can be jazzed up for you just use your imagination. I hope that you enjoy For Kid's Only.
