Whether you're an experienced or a newbie traveler this is the most comprehensive book on travel healthcare. Epstein not only teaches on the basics of finding great assignments but goes further into explaining the travel company structure, the art of negotiating contracts, compact states, the Joint Commission, NATHO, BKAT testing and PBDS testing. This is the only book series that has full chapters on Allied Health and LPN/LVN travel along with traveling with pets, homeschooling, and traveling in an RV. New to this year is a chapter on working and volunteering in foreign countries by Aaron Highfill, and Joseph Smith brings to you the most updated Travel Tax information.

Why buy cheap out dated information, when you can have the best quality up-to-date information through the Highway Hypodermics series of books. The last ten years, the Highway Hypodermics series has reached number one on Amazon in the Nursing> Issues, Trends, and Roles category. Neighboring books on this list include works by Mosby, Lippincott, the American Heart Association, and Tabers.

Written by a traveling nurse for traveling nurses and healthcare professionals!
