K: A Common Law Approach to Contracts is a highly focused, case-based contract law text from the distinguished writing team of George and Korobkin. In addition to offering a comprehensive treatment of the basic issues of contract law, this stimulating casebook emphasizes development of analogical reasoning skills throughout. Each section is limited to three types of materials--brief narrative, judicial opinions and discussion problems--and is designed to teach students how to read opinions, analyze issues, distinguish material from immaterial facts, and apply holdings to similar problems.

Features:

- **Highly regarded author team** has written more than 50 law journal articles and several legal texts.
- **Lean, focused, case-based text** can be taught in a one-semester course.
- Comprehensive treatment of first-year contract law.
- Each section **organized to promote methods of legal reasoning**, including:
 - A **brief narrative** that states a **basic, fundamental proposition of contract law and guidance as to the second order doctrinal issues** raised.
 - **Edited judicial opinions.**
 - **Provocative discussion problems**, designed for analysis from the perspectives of the judge and the opposing parties.

- Judicial opinions include **classic and contemporary cases in contract law.**
- **Discussion problems simulate the fact patterns** students will be given **in final exam.**
