For some 20 years, Bradt's Zambia has been widely acknowledged as the best guidebook on the market, with superior coverage in almost every field. In this new sixth edition, background information - history, culture and natural history - remains as comprehensive as ever, while practical guidance, including in-depth reviews of lodges, hotels and campsites, is now stronger than ever for Victoria Falls and Zambia's top national parks and wildlife areas. This new edition, whilst still providing full coverage of the country, concentrates on the places that people really want to visit in Zambia: Zambia's game-rich safari regions and wildlife areas, along with the Victoria Falls. Also included are GPS coordinates for the small but growing number of self-drive visitors to Zambia, plus information on walking safaris and activities at Victoria Falls and on the Zambezi.
