This comprehensive introductory book provides step-by-step instruction and in-depth explanation on three of today's most widely used Web design and development programs: Adobe Dreamweaver CS5, Adobe Flash CS5, and Adobe Fireworks CS5. Readers gain practical experience with the software as they work through end-of-chapter learning projects and step-by-step tutorials. An integration chapter demonstrates how to move from one application to the other while creating a Dreamweaver website that incorporates both Flash and Fireworks files. Full-color illustrations and a user-friendly design combine to create a solid learning experience that reveals how to master the latest features of these popular applications.
