Legacy of the Sisterhood Club (Volume 5) Gareth Masterson

“What have we wrought?” Sam exclaimed, hands to her face. Indeed what have the members of the Sisterhood club brought onto themselves and their children after years of dark secrets, open marriages and more? David and Jade and Sam must maneuver through lies and deceit from unexpected sources as they seek answers to questions that once they become public will absolutely destroy marriages and careers. As they confront the club’s darkness they are also constantly reminded of their own transgressions, which only undermine in ways they can’t quite grasp how they handle the decisions that their own college-age children make about life, love and school. And lurking within their Sisterhood is a new treachery which brings a whole new meaning to their definition of a family in crisis.
