Master Trading the Financial Markets: Trade With the Best Mr Philip Michael Cooper

This is not a get rich quick book. This book will afford both novice and experienced retail (trading from home on a computer) traders alike a comprehensive understanding of the financial markets. The author principally targets the novice on-line trader but areas of the book also provide seasoned traders with new insights into the financial markets as well as alternative trading strategies. In simple to understand concise language, enhanced by relevant graphics, all the key trading tools available for on-line traders are explained in such detail that novice traders should be able to master trading the financial markets effectively and seasoned traders reassess their trading styles for the better. The book concentrates on mastering the currency markets and the binary options markets, however it also contains chapters on bond trading, futures, stocks, indices and options in detail. The book lays open the myth that the forex markets are a mystery and the author uses his 30 years' experience as an investment banker to cut through the noise and provide a sharpened view of how the financial markets should be traded. The nine chapters fully illuminate the following topics. Chapter 1 Mastering Forex Fundamentals Chapter 2 Mastering Candlestick Charts Chapter 3 Mastering Technical Analysis Chapter 4 Mastering Fundamental Analysis Chapter 5 Mastering Complex Trading Tools Chapter 6 Getting a Trading Edge Chapter 7 Mastering Other Asset Classes Chapter 8 Mastering Binary Options Chapter 9 Central Banks and the European Union About the author: Philip was born and educated in the United Kingdom. He joined Citibank in London before moving to Athens where he worked as a foreign exchange trader for both Citibank and Chase Manhattan. Philip was then posted to Citibank's Middle East North African Training Centre in Athens/Beirut as the operations manager and a foreign exchange trainer. After returning to the United Kingdom Philip joined Union Bank of Switzerland as the Head of Learning and Development and introduced trading simulations as a safe way for new traders to trade. In 1993 he was appointed Head of Learning and Education for UBS in North America. He later left the bank and went into partnership with two colleagues and set up a successful financial training company (New Learning Developments) in New York City. At New Learning Developments he developed relationships with all the major investment banks such as Goldman, Lehman, JP Morgan, and other major financial institutions such as The Federal Reserve Bank, Chase, Citibank, ABN-AMRO and the World Bank. In 1999 he returned to London where he worked as a training consultant to financial services institutions and the Ministry of Defence. He now spends his time developing knowledge databases for on-line brokerage houses and conducts webinars on foreign exchange and on-line retail trading. He also writes fictional short stories and is in the process of writing his first novel, a political thriller titled Operation Gladio.
