Tunaluna alurista

Poetry. Latino/Latina Studies. TUNALUNA is classic alurista: passionate, sensuous, and political. alurista's tenth book of poetry is a collection of 52 poems that takes us on a time trip through the first decade of the 21st century where he bears witness to the "Dubya" wars, terrorism, oil and \$4 gallons of gas, slavery, and ultimately spiritual transformation and salvation. The "Word Wizard of Aztlan" is at his razor-sharp best, playing with his palabras as well as with our senses and sensibilities. alurista is a Xicano poet for the ages and a chronicler of la Nueva Raza C3smica. With TUNALUNA he trumpets the return of Quetzalcoatl, the feathered-serpent of Aztec and Mayan prophecy, and helps to lead us out of war and into the dawn of a new consciousness and sun, el Sexto Sol, nahuicoatl, cuatro serpiente, the sun of justice.

From reader reviews:

Jose Anderson:

What do you concentrate on book? It is just for students because they are still students or it for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't desire do that. You must know how great along with important the book Tunaluna. All type of book would you see on many solutions. You can look for the internet options or other social media.

Roger Waldrop:

As people who live in the particular modest era should be change about what going on or information even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Tunaluna is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Lisa Langlais:

Do you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you find out the inside because don't determine book by its deal with may doesn't work is difficult job because you are afraid that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer may be Tunaluna why because the excellent cover that make you consider with regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly show you to pick up this book.

Mark Johnson:

A lot of book has printed but it differs from the others. You can get it by world wide web on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever by means of searching from it. It is referred to as of book Tunaluna. You'll be able to your knowledge by it. Without causing the printed book, it might add your knowledge and make an individual happier to read. It is most significant that, you must aware about book. It can bring you from one destination to other place.
