**Cross-Cultural Psychology: Critical Thinking and Contemporary Applications, Sixth Edition** Eric B. Shiraev, David A. Levy

Written in a conversational style that transforms complex ideas into accessible ones, this international best-seller provides an interdisciplinary review of the theories and research in cross-cultural psychology. The book's unique critical thinking framework, including *Critical Thinking* boxes, helps to develop analytical skills. *Exercises* interspersed throughout promote active learning and encourage class discussion. *Case in Point* sections review controversial issues and opinions about behavior in different cultural contexts. *Cross-Cultural Sensitivity* boxes underscore the importance of empathy in communication. Numerous applications better prepare students for working in various multicultural contexts such as teaching, counseling, health care, and social work. The dynamic author team brings a diverse set of experiences in writing this book. Eric Shiraev was raised in the former Soviet Union and David Levy is from Southern California. Sensation, perception, consciousness, intelligence, human development, emotion, motivation, social perception, interaction, psychological disorders, and applied topics are explored from cross-cultural perspectives.
