## Flesh & Fire Volume Two : The Blas Gallego Sketchbook NA

A big gun in the world of fine art AND fantasy illustration, fans can't seem to get enough of Gallego's unique talents. His ability to capture the essence of beautiful women in action hasn't hurt his reputation either! In this second volume, even more material from his film and paperback paintings are showcased, along with some samples of his personal projects, and more new illustrations, done just for this book! From sun-dappled portraits of quiet introspection to blood-soaked battlefields of wild abandon, Gallego can do it all!
