Primal Creatures

Eric Wilder

Primal Creatures Eric Wilder

Though only forty miles south of New Orleans, Goose Island may as well be in another world. Five feet out of the shallow waters of south Louisiana's wetlands, the secluded island is home of the Tracists Monastery. It's also a resort frequented by actors, screenwriters, and powerful people in the burgeoning Louisiana film industry. When a heinous death occurs on the island, a movie producer hires Wyatt Thomas, the French Quarter's favorite sleuth, to find out whom or what killed the victim. Was it wild dogs or a rougarou (Cajun werewolf) as the local voodoo woman tells Wyatt? His own life threatened, he must first survive the killer (or maybe killers), and the deadly hurricane taking direct aim at the monastery. Primal Creatures is the third novel in the Wyatt Thomas French Quarter Mystery Series that includes Big Easy, and City of Spirits.
