Excerpt from *Soldiers True: The Story of the One Hundred and Eleventh Regiment Pennsylvania Veteran Volunteers, and of Its Campaigns in the War, for the Union 1861 1865*

This book is not a history of the civil war, nor does it contain an exhaustive account of any one of its campaigns.

It is the story of but one of the hundreds of regiments which fought that war through to final victory. This particular regiment does not claim precedence of service or merit over any other, and any attempt to assume that it did would be promptly condemned by its survivors. It was simply one battalion of *Soldiers True*, who, with their honored comrades from Pennsylvania and every other loyal State, endeavored to perform unostentatiously and faithfully the work that was assigned to them.

And yet the book is history. The actual story of the great war can never be really known until the service of each participating regiment and battery and ship is narrated; and, therefore, the present volume is believed to contain an essential and important part of the history of the American nation in the most momentous crisis of its existence.

The work was undertaken at the earnest and unanimous request of the survivors of the command, and has been indorsed by them as the official history of the regiment. But it was written not for them and their friends only, but for all readers who are interested in civil war studies. Its preparation has been a labor of love, and such patience and care have attended it as the author could command amid the daily exactions of an important city pastorate.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
