This carefully prepared book is an information-filled guide for the beginning muzzleloader and plainsman. It is the most in-depth discussion on these subjects ever written, and it is an invaluable tool for anyone wanting to learn the skills and history of the Plainsmen. The book begins by investigating the rebirth of the black powder experience in America. The author explains that the muzzleloading adventure of today involves much more than just guns. Art, history, science, nature and philosophy all become part of the hobby. The reader is led through many categories of muzzleloading, including kit building, hunting and reenactments. A thorough review of Plains history from 1820 to 1876 is included. The westward push of all American settlers and their interactions with the Indians is discussed. The major trails and the men and women who traveled them are shown and explained. ISBN: 0-882-90449-3, SIZE: Paperback
