**Viscera** Gabriel Squailia

“[*Viscera*] is dark, weird, and wonderfully human, and **I cannot recommend it enough. It’s far and away the weirdest, most original thing you will read this year**, and Gabriel Squailia gives it heart that matches its entrails beat-for-beat.”

—*B&N Sci-Fi & Fantasy Blog*

**The Gone-Away gods were real, once, and taller than towers.**

But they’re long dead now, buried in the catacombs beneath the city of Eth, where their calcified organs radiate an eldritch power that calls out to anyone hardy enough to live in this cutthroat, war-torn land. Some survivors are human, while others are close enough, but all are struggling to carve out their lives in a world both unforgiving and wondrous. Darkly comic and viciously original, *Viscera* is an unforgettable journey through swords-and-sorcery fantasy where strangeness gleams from every nook and cranny.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

### From reader reviews:

#### **Gemma Jackson:**

Throughout other case, little men and women like to read book Viscera. You can choose the best book if you like reading a book. Given that we know about how is important any book Viscera. You can add understanding and of course you can around the world by the book. Absolutely right, since from book you can learn everything! From your country till foreign or abroad you will find yourself known. About simple issue until wonderful thing you may know that. In this era, we can easily open a book or perhaps searching by internet product. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's learn.

#### **Beverly Hummell:**

The book Viscera can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Viscera? Wide variety you have a different opinion about book. But one aim this book can give many data for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or details that you take for that, you could give for each other; you can share all of these. Book Viscera has simple shape but you know: it has great and large function for you. You can appear the enormous world by available and read a guide. So it is very wonderful.

#### **Donna Hubbard:**

This book untitled Viscera to be one of several books which best seller in this year, here is because when you read this reserve you can get a lot of benefit upon it. You will easily to buy this book in the book retail store or you can order it by means of online. The publisher of the book sells the e-book too. It makes you easier to read this book, as you can read this book in your Mobile phone. So there is no reason for you to past this e-book from your list.

#### **Arnold Allison:**

Why? Because this Viscera is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the e-book store hurriedly.
