You Are the Justice (High noon books - you are... series) Michel Lipman

Quite simply, after reading a realistic, colorful narrative, the student assumes the role of supreme court justice. Here are all the facts of an issue clearly and logically presented. Now the student is invited to make a decision, to give reasons for his choice, and to enjoy an ego-strengthening task with no right or wrong answers (and hence no need for an answer key). It is possible for a lively classroom debate to ensue with students defending the positions they have taken. 4th/5th reading level
