My name is Samuel Johnson, and I'm a vampire. This is my journal recounting the series of events that led to this written form of punishment...or "rehabilitation" as some call it.

I'm a member of an organization called Vampires Against the Evil (VATE), which identifies aliens disguised as humans—and kills them. We're supposed to avoid killing humans who aren't aliens, but it's usually okay if a few die. Truthfully, we can do just about anything to accomplish our mission. It's a limitless policy.

Or so I thought.

My last mission was to infiltrate AGI, a property-casualty insurance company, and kill the alien placed there. According to some, my investigation went awry. This "therapeutic" journal tells that story, in hopes that I learn from my mistakes.
