The Hare Book Jane Russ

A celebration of the hare, covering its role in nature and its appearances in myth and legend

Elusive, ethereal, and evocative—the hare permeates our consciousness like no other creature. Despite facing ever-increasing environmental pressures, it still retains its ability to both delight and confound in equal measure. Published in conjunction with The Hare Preservation Trust, this book offers a unique insight into this most fascinating of creatures; from its place in nature to its many appearances in art and literature. With never before published scientific research and original artwork from Jackie Morris this is a unique and long overdue look at the hare in all its many guises.
