An ordinary Danish Christmas turns extraordinary when a family overlooks an important folkloric tradition.

Christmas has come, and with it a sparkling white winterfrost over the countryside. But twelve-year-old Bettina's parents have been called away unexpectedly, leaving her in charge of the house, the farm, and baby Pia. In all the confusion, Bettina's family neglects to set out the traditional bowl of Christmas rice pudding for the tiny nisse who are rumored to look after the family and their livestock. No one besides her grandfather ever believed the nisse were real, so what harm could there be in forgetting this silly custom? But when baby Pia disappears during a nap, the magic of the nisse makes itself known. To find her sister and set things right, Bettina must venture into the miniature world of these usually helpful, but sometimes mischievous folk. A delightful winter adventure for lovers of the legendary and miraculous.

From reader reviews:

William Grimm:

With other case, little persons like to read book Winterfrost. You can choose the best book if you appreciate reading a book. Given that we know about how is important any book Winterfrost. You can add knowledge and of course you can around the world by just a book. Absolutely right, because from book you can recognize everything! From your country until eventually foreign or abroad you will be known. About simple factor until wonderful thing you can know that. In this era, we could open a book or searching by internet device. It is called e-book. You may use it when you feel uninterested to go to the library. Let's examine.

Raymond Hollander:

What do you in relation to book? It is not important along with you? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question since just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need that Winterfrost to read.

Dana Barker:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want truly feel happy read one having theme for entertaining like comic or novel. Typically the Winterfrost is kind of publication which is giving the reader unstable experience.

Kayla Congdon:

The reason why? Because this Winterfrost is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the publication store hurriedly.
