**If you want to see things differently, you have to do things differently. If you want to have faith that moves mountains, you have to move.**

## **Do You:**

-ever feel like you are stuck? -have people in your life that you would consider haters, naysayers, critics or negative voices who try to hold you down? -often worry about what other people think of you and find yourself seeking the approval of others? -find it difficult to move beyond your comfort zones? -desire to step into God's divine purpose for your life?

If you answered yes to any or all of the above questions, you need to Drop It!

In his newest book, author, speaker, strategist, international consultant, and former LifeChurch Pastor Scott Williams draws you deeply into an incredible encounter that Jesus had with a blind man named Bartimaeus. Just like 21 seconds of dialogue with Jesus that transformed Bartimaeus' life, you'll be amazed at how 21 days in this one simple story will increase your faith and transform your life.

Drop It helps you diagnose what is discouraging your dreams, disrupting your progress and detouring you from God's best. No matter who you are or what season of life you are in, you'll discover fresh insights on how to stand up and seize your moment of breakthrough.

Scott uses stories from his own life as well as amazing insights into the Scriptures to open your eyes to the life God has for you. If you invest 21 days in this story, your resolve and commitment to Jesus and his work in your life will increase exponentially.
