Exam Pro on Civil Procedure (Exam Pro Series) Linda Mullenix

The new edition contains five objective exams in civil procedure with a total of 125 objective questions. Each exam consists of 25 objective problems followed by five multiple-choice answers. Each problem is based on recently decided federal district or appellate court decisions. Exam Pro provides the answers and a detailed analysis to enhance understanding of civil procedure. The tear-out answer sheets simulate exam conditions.

This edition reflects the typical course coverage in the now standard four credit-hour, one semester civil procedure course. The exam problems have been updated to reflect recent Supreme Court decisions on civil procedure issues, as well as recent amendments to the Federal Rules that became effective December 2015.
