**God's Touch: Faith, Wholeness, and the Healing Miracles of Jesus** Bruce G. Epperly

The mounting evidence of the interconnectedness of spirituality, health, and medicine suggests giving new attention to the healing ministry of Jesus. Through a fresh reading of the Gospel narratives, Bruce Epperly reveals the centrality of whole-person healing within Jesus' mission as teacher and social reformer and stresses that churches should seek to recover a healing ministry that touches both the spirit and the body. *God's Touch* traces the links between Jesus' approach to wholeness of mind, body, spirit, and relationships, and the practices of complementary and alternative medicine today.
