"It's like Avatar the Last Airbender meets Ender's Game." The planet Ethos is at war with a mysterious enemy known as the Splicers. Their only defense is the Prime Initiative. All newborns with the compatible genetic code are taken from their families and injected with the Prime Stimulus. Those that survive the injection, develop extraordinary abilities and are conscripted into the military for training.

After turning twelve, Aidan is moved to the upper-class at the Mount Fegorio Prime Training Facility. His special gifts allow him unprecedented success in the virtual training simulations, advancing him further than any prime cadet in history. No one knows what lies after sim 299, not even Director Tuskin, the ruthless and reclusive planetary ruler. But something, or someone, has been guiding Aidan to Sim 299. If he can pass the final tests, he may discover the key to ending the Splicer War.

From the imaginative mind of Johan Twiss, *I AM SLEEPLESS: Sim 299* is an extraordinary space adventure series that will delight readers of all ages. *I AM SLEEPLESS* has a clean read rating with the perfect mix of adventure, humor, and mystery in a SciFi/Fantasy world that will keep you turning the pages.

Clean Rating:

There are no scenes with sex, drugs, graphic violence or typical "earth" swearing in this novel. There are numerous fight scenes and action sequences where people are injured and/or die, but it is not graphic and takes place in a virtual simulation. Swear words are fitting to the fictional world of Ethos, such as *Tuskin's Fury*, *Batmonkeys*, *Holy Hippophants*, etc... There are budding romances with kissing involved. There are suspenseful situations with monster alien creatures, fitting of the science fiction genre, and an overall thematic undertone of good v. evil that's suitable for tweens, teens and young adults.
