Pop Girl

Tallia Storm

Pop Girl Tallia Storm

Fourteen-year-old Storm Hall lives to sing. Forget school. Forget boys. All Storm wants is to sing. So when she's forced to miss a national competition to go on a once-in-a-lifetime family vacation to Hawaii, her life is over! What could be worse than missing a big break to visit an island paradise? What if her (former) best friend steals her spotlight?

When Storm meets a Hawaiian band who needs a last minute singer she starts to think vacation might not be so bad after all. And when she hears her voice and her song on the local radio the next day, she thinks all of her dreams are coming true! That is until the band introduces their singer on air. It's NOT her. There's a Storm coming!

Pop Girl is the debut novel from singer-songwriter Tallia Storm.

From reader reviews:

Bessie Morris:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has several personality and hobby for every other. Don't to be pressured someone or something that they don't need do that. You must know how great and also important the book Pop Girl. All type of book could you see on many solutions. You can look for the internet options or other social media.

Linda Monge:

This book untitled Pop Girl to be one of several books that best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit into it. You will easily to buy this kind of book in the book store or you can order it through online. The publisher of the book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smart phone. So there is no reason to your account to past this guide from your list.

Richard Lamm:

People live in this new day of lifestyle always make an effort to and must have the time or they will get wide range of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not a robot. Then we consult again, what kind of activity have you got when the spare time coming to an individual of course your answer will probably unlimited right. Then ever try this one, reading ebooks. It can be your alternative in spending your spare time, the book you have read will be Pop Girl.

Sharon Brogdon:

This Pop Girl is great e-book for you because the content that is full of information for you who always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with wonderful delivering sentences. Having Pop Girl in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world with ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt in which?
