Provençal Interiors: French Country Style in America Betty Lou Phillips

Inspired by the sun-drenched colors of southern France, french country, or provençal, decorating is the epitome of understated luxury, as fitting in the city and suburbs as in rural reaches. No matter that it's roots are firmly planted in the small stone farmhouse, or mas, the typical dwelling in the provençal region. It is equally appealing in a remote chateau as in a stately manor house, or bastide. The most inviting homes exude comfort, tradition, and grace. Most people, though, say it is charm that best characterizes the french interior. Through stunning photographs, informative text, and an extensive resource list, provincial interiors detail everything necessary for creating this harmonious mingling in america.< BR>
