The Butterfly's Flight: A Story About Autism And Hope Heather Porazzo

The Butterfly's Flight offers parents and teachers an entertaining way to introduce young children to Autism. Baby Butterfly did not come out of his cocoon like all of the other butterflies. Mother and Father Butterfly tried to reach their son, but he seemed to be in his own world. Determined to pull their son out from under the shadows that kept him from engaging with them, Mother and Father Butterfly sought help from their friends in the forest and the wise Mr. Owl. Slowly Baby Butterfly emerges from the cocoon, and with the love and support of all around him, he learns to navigate in this big, bright, and often over-stimulating world.
